

Our mission is to assist those in need of funding during their treatment of cancer. We believe most people are not fully prepared for the out-of-pocket expenses cancer treatment requires. Our volunteers are dedicated to the long-term success of this grant program through ongoing donations and fundraising efforts.

NCH Trails To Treatments

Middle River, MN 56737

April 2021

Dear Prospective Rider,

The North Country Horsemen Saddle Club announces their 13th Annual Cancer Benefit and Ride on Labor Day Weekend, September 3rd & 4th, 2021. Please note that this year's benefit and ride will again be held in Middle River, MN. The proceeds will go to support the NCH Trails To Treatments (TTT) Cancer Grant Fund. As of March 12, 2021 - 1103 grants totaling \$641,400 have been given out since TTT's launch in October of 2011. Besides your rider fee donation, a monetary donation or silent/live auction item would be greatly appreciated.

Activities will be similar to previous years; trails will be mapped out, and primitive camping will be available at the Ornquist Arena. There is space at the arena grass parking lot for setting up temporary pens and water will be provided. Signs will be posted where horses will be allowed/not allowed within the City of Middle River. The TTT Committee asks that riders please be respectful of private property and keep horses in predesignated riding and camping areas.

Riders must pre-register by August 1st to be guaranteed a t-shirt and to be entered into a special prize drawing. A Rider Registration Form, Waiver, Tentative Schedule and a Donation Sheet are enclosed.

Collecting monetary donations of a \$100 or more and documenting them on the enclosed Donation Sheet will make you eligible for prizes. Go to www.northcountryhorsemen.com for additional forms or future updates. If you have questions, feel free to contact any of our committee members listed below or email us at trailstotreatments@hotmail.com.

Sincerely,

The NCH Trails To Treatments Committee
