

Our mission is to assist those in need of funding during their treatment of cancer. We believe most people are not fully prepared for the out-of-pocket expenses cancer treatment requires. Our volunteers are dedicated to the long-term success of this grant program through ongoing donations and fundraising efforts.

NCH Trails To Treatments
PO Box 161
Middle River, MN 56737

April 2021

Dear Prospective Sponsor,

The North Country Horsemen Saddle Club announces their 13th Annual Cancer Benefit and Ride on Labor Day Weekend, September 3rd & 4th, 2021. This year's benefit and ride will again be located in Middle River, MN. The proceeds will go to support the NCH Trails To Treatments (TTT) Cancer Grant Fund. As of March 12, 2021 - 1103 grants totaling \$641,400 have been given out since TTT's launch in October of 2011. As the need for our grants increase, your monetary donation or silent/live auction item is even more appreciated. A sponsorship form and the tentative schedule of the event are enclosed.

The deadline for your logo or your name on the t-shirt is July 1st. **Our committee (made up entirely of volunteers)** would greatly appreciate your donation or commitment to an auction item along with the forms by the date above; this eliminates the need for additional resources of money and time spent on a second contact. The week of the event, auction items may be dropped off at Border State Bank in Middle River or at The Wheel on Friday, September 3rd or at the Old Ambulance Building on Saturday, September 4th. If you need us to pick up your auction item, please contact us prior to the event and one of our volunteers will gladly stop by your place of business for it.

Please consider sending your donation today so together we may continue to help ease the financial burden that so many cancer patients face. If you have questions, feel free to contact any of our committee members listed below or email us at trailstotreatments@hotmail.com. Additional forms can be found on our website at www.northcountryhorsemen.com.

Thank you for your consideration.

Sincerely,

The NCH Trails To Treatments Committee
